

If you are keen to know how the World #1 Phonics program works, you need this course! This is based on evidence based pedagogical principles as well as practical research at Victoria's Perth based Centre.

In this workshop you will be learning Victoria Carlton approach on:

- How to ensure young children are ready to begin their literacy journey.
- How to teach phonics using the same progression as Jolly Phonics
- Learn the actions and sounds of Jolly Phonics

### You will also receive:

- **Supporting notes specially prepared by Victoria Carton.**
- **Some Suggested creative activities to enhance phonics teaching.**
- **Discounts for Victoria's publications and school/teacher supplies.**
- **\$50.00\* discount for signing up for Victoria Carlton's 3 days course in 2017.**
- **Discount for signing up for Phonics, Phonemic awareness and Phonetics and Phonological course (5 modules) by Juriah Atan.**

### Who should attend?

**Member: \$88.00**

**Non-Member: \$108.00**

### Juriah Atan (a Victoria Carlton Mastery trainer)

Juriah is a trainer and storyteller. She trains students in MOE schools (primary, secondary and junior college) and speech and drama centers. She has lectured part-time for Kinderland School of Education and Linguistic Council Pte Ltd and has conducted workshops for teachers and parents on Phonetics, Phonics and Storytelling for various organizations. She started her teaching career as a childcare teacher and then switched to being a free-lance teacher who has been teaching for the last 20 years. She has coached candidates for International examinations. She has been trained in the Spalding Method, Orton Gillingham Method, Victoria Carlton's approach to Jolly Phonics, the Fitzroy Method and the Bob Book approach.
