

Oxford Reading Tree workshops

This hands-on introductory workshop will model Oxford Reading Tree in action in the classroom. It is suitable for teachers with some experience as well as teachers and parents wanting to learn more.

It will cover:

- Session 1: An introduction to Guided Reading with Oxford Reading Tree
- Session 2: Systematic, synthetic phonics with Oxford's Floppy Phonics
- Session 3: Decodable reading books using Explore with Biff, Chip and Kipper
- Session 4: How Julia Donaldson's Songbirds can be used to improve decoding skills, deepen comprehension and help children to LOVE books
- Session 5: Poetry reading and writing using Glow-worms
- Session 6: Using ORT to motivate reluctant readers
- Session 7: Using ORT reading books to really engage older readers

John Warren Chambers

" Reading, Phonics, Poetry and Chess are the secret to academic success."

'B.ED (NZ) Educator Victoria Carlton's Mastery trainer & Jolly Phonics (UK) Accredited Trainer- Singapore & South Asia. He has more than 25 years teaching experience. He is passionate about and an advocate of Phonics, as he believes Phonics is the 'backbone' of literacy. Learning the very important phonics foundation of literacy leads towards faster independence in reading, writing and comprehension.
