

How to Grow Successful Writers

A one day workshop for Primary educators

ALL kids CAN write but need the nuts and bolts of writing to get started.

Come along and learn how you can harness the skills and creativity together to re-enthuse students and ensure they ALL experience success.

Skills + Creativity = Successful Writing

Learn ways to link your Jolly Grammar lessons to writing. (A knowledge of Jolly Grammar is not necessary for this course- all Grammar programs will work well.)

Examine the "writing potholes" and be shown ways around these!

Empower Your Children To Become Competent, Confident Writers Who Enjoy The Process.

- Discover CREATIVE, CHILD- FRIENDLY and ENJOYABLE ways to empower your young writers
- Learn how to use "right-brain" methods to stimulate and revitalise writing. Try out our unique MIND JOURNEYS approach!
- Provide lessons that work with all the learning styles
- Learn about 5 unique "super-strategies" to boost writing development for ALL your students.

This workshop will leave you energised, revitalised and enthusiastic to begin a new approach to writing! We have trialled these strategies for more than 10 years and know they work!

Attending teachers will receive full notes that guide you through the strategies, a set of MIND JOURNEYS visualisations, list of suitable literature to provide models for writing, a set of writing affirmations, a set of writing starters and 20 writing and associated vocabulary motivation cards.

Who should attend? This workshop is suitable for educators of students aged 6-12

This workshop is presented by Victoria Carlton, Global educator and literacy expert. Victoria is internationally known as the CHILD WHISPERER due to her uncanny ability to engage with children, quickly establish rapport and establish targeted, effective teaching practices.

Victoria designs education programs to help all students reach potential and all her programs have been trialled and demonstrated to be effective.

This workshop can also be delivered within your school community.

21st April 2018, Saturday, 9.30-4.00pm

Course Fee:

Member \$358.00 Non-Member \$398.00
