# Oxford Reading Tree

## The Official Reading Workshop

Reading is one of the most important skills children will ever learn. The *Oxford Reading Tree*, with 10 stages and a variety of components is the comprehensive reading system of choice in over 80% of schools in the UK. Now young students can benefit from *Oxford's* extensive research into young reading. Choose the *ORT* to bring the delights of English reading to your classroom or home.

From picture-only books designed to provide the best possible foundation in book handling skills and enjoyment for the very youngest learners (Stage 1), through to a wide range of fiction for adept junior readers, the *Oxford Reading Tree* successfully develops children's English reading skills - whether they are native or non-native speakers.

Join us on

**A Magical Adventure**

of a lifetime.

*This workshop is for any teacher that wishes to master the most effective way of teaching ORT to young readers. So come and have fun and take back a bagful of easy-to-implement ideas.*

## Kevin Paul Churchley

CELTA Young Learner Extension British Council Singapore (2010)  
RSA/Cambridge TEFL Certificate in Education International House Hastings UK (1990)  
BA ( Hons. ) Degree Fine Art / Performance University College Falmouth UK (1984)

Kevin is currently teaching English (ESL) to Kindergarten, Primary and Secondary School children at the British Council in Singapore.

Prior to that he lived in Japan for sixteen years and taught English to children, junior and senior high school students and adults. He also developed in-house English program for his schools. In 1998, he discovered Oxford Reading Tree and has been using it to teach 200 to 300 students a week in Japan then.

Kevin became the Teacher Trainer and Presenter for Oxford University Press Tokyo Japan in 2002, where he developed educational teacher training workshops and do presentation at the ETJ and KCT events all over Japan. Besides writing articles for OUP Japan's newsletter, Kevin also produced a teacher training DVD and guide book "*Kevin's Fun Reading of the Oxford Reading Tree*". In 1996 to 2005, when he was the Director of Studies at Everyone Language School Numazu Japan, he developed and taught English programs for Japanese kindergartens there.

In 1990 to 2004, he worked as an Examiner for the United Nations Association of Japan Test of English, where he interviewed and assessed candidates' English speaking ability in accordance with the requirements of the test.
